

Adult Christian Education & Discipleship Winter Classes Start January 17

Classes will meet before worship – 9 to 9:45am. Check out our current offerings, and register now. *Classes start January 17.* _____

Introduction to Celtic Christian Spirituality

Facilitator: Pastor Daniel Meister

This course provides a basic introduction to Celtic Christian spirituality. Throughout this class we will consider such topics as “Friends of the Earth,” “Places of Resurrection,” and “Villages of God,” just to name a few. Within this class, we will try to appreciate the ancient voices as they speak to our contemporary culture, & how it is that we can become better believers as we learn from their struggles and their successes.

Materials: None; but participants are encouraged to take notes to follow the flow of the class.

Seasonal Bible Stories: Luke’s “Journey to Jerusalem”

Facilitator: Pastor Joyce Orr

The Gospel of Luke tells us that Jesus made two journeys to Jerusalem, one just before his Bar Mitzvah and the other just before his crucifixion. We know very little about that first journey but Luke wrote plenty about the second. This class will study selected stories from the 10+ chapters that Luke wrote about that 2nd journey. What did Jesus say and do as he traveled from Galilee to Jerusalem? And what message does he have for us as we approach the season of Lent?

Materials: a Bible, any translation.

AND BACK BY POPULAR DEMAND:

How to Use the Bible for Personal Spiritual Disciplines

Facilitator: Dr Mike Parker

God has given us His Word not only as a revelation of who He is and how He thinks, but also as a source for spiritual disciplines. This class will explore and develop practical ways of using the Bible to nourish one's soul, shape one's thinking to reflect biblical values and truths, and lead one into a closer walk with God.

Materials: Our textbook is the Bible.
